14. [redacted] In response to his telephone request, met with Mr. Peter Gerardi, Technical Consultant, Subcommittee on Investigations, and Mr. Charles Ducander, Executive Director and Chief Counsel, House Committee on Science and Astronautics. It was learned that Chairman Miller, in response to information he had received concerning reported "interesting information" provided NSA in briefing by Agency representatives, had scheduled a briefing by the Agency on Soyuz I for Thursday morning. After discussion to the point that there is little if any information in addition to that provided Mr. Ducander for the Chairman's benefit yesterday noon, a meeting was set up with Chairman Miller.

Mr. Ducander, Mr. Gerardi, and I met with Chairman Miller. After review the Chairman was of the opinion that this matter was not one for formal briefing of the Subcommittee and indicated his appreciation for the quick Agency response to his request.
